**May is Foster Care Awareness Month!**

Every child is a unique and precious gift from God who deserves a loving family. Right now in Kansas there are roughly 7,000 children in care, coming from all backgrounds and from every community. Many have experienced trauma and are frightened and lonely. Foster parents open their hearts and homes helping children heal, trust, and hope again. Currently there are only approximately 2,700 licensed foster families in Kansas. The Church is the solution! Everyone can help – either by becoming a foster family, supporting the families who do foster, donating necessities or gifts for children, or mentoring teens who are aging out of the system. Please visit [www.archkcks.com/foster](http://www.archkcks.com/foster) to learn more.
